1.	Reading Division 0, Section 00440, if we can comply with an offer that qualifies for a Type 3 waiver, we can check that box and upon receipt of order provide the information and a formal waiver request?
	You're correct on the first half of the question – bidder must insert a checkmark (✓) or the letter "X" in the corresponding box of their choosing. If requesting a Type 3 waiver, section 00440 reads, bidder must submit to the Owner within 15 calendar days of the bid opening, a formal waiver request and required documentation that support the type of waiver being requested. Failure to submit the required documentation within the specified timeframe is cause for a non-responsive determination that may result in rejection of the proposal. See section 00440 for further guidance.
